-----~
Volume 1 Sweet and sexy, Blissful will melt your heart! Unlucky is my middle name. My life as a singer-songwriter in a band I started with my best friend isn't getting anywhere. I'm curvy and being thin is apparently important for a musical career. When my high school sweetheart and I get married, I find him kissing my best friend. Of course I didn't put up with it. Broken and depressed, I run away from everything I know, but even my car breaks down. Like I said ... luck is not on my side.

Until I meet Jack ... Maintaining a ranch isn't easy. I've got more work than time. Spare time is a luxury I can't afford and won't give into. When I spend one moment alone with my thoughts, I'm done for. Alcohol becomes my friend, because I can't bear to feel the misery inside my heart. I hate who I've become. Sorrow eats me up, but I won't let anyone see. I need to keep on living, keep on fighting, and do everything on my own. For her, my little angel. She's all I have left. Until I meet Amy ... Lost in misery, love is our salvation ~Volume 2

Mending our hearts isn't as easy as it seems Meeting Jack has been an eye opener for a curvy girl like me. Only now do I realize that there are good men in the world who deserve more love. He's a sexy hardworking man, and his ranch and daughter are all he has left. Passion is missing in his life. I want to give him what he needs, but he won't let me. Then again, I'm not sure what I want either. My career as a singer-songwriter has been on hold ever since I met him, and now I miss it more than anything. I know I'll have to make a choice someday. However, I also know that Jack's hiding his past from me, and the truth will come out sooner or later... When I met Amy I never imagined wanting her as

much as I do now. Im starting to fall for her, and I dont know if I can hold back any longer. Im afraid, though. What if her loving brings back those painful memories from the past? Ive been drowning the sorrow in alcohol for as long as I can remember. If the wounds in my heart tear open again, Im not sure I can resist the urge to stop living. Only Amy can rescue me now, and I hope its not too late ... for the both of us. ~Volume 3 Torn by a choice between love and passion Jacks heart has been lost ever since that terrible night. Now that I know what happened to him, I feel like I need to help him. I want to be there for him, but I know hell never forget. Is love really going to be enough? I miss my old life. I want to sing, I want to be somebody, and now that Im with Jack everything has been put on hold. A curvy girl like me has no chance in the music business anyway, but when an opportunity presents itself to me, it feels like a dream. Can I take this chance and risk losing him? I never believed I would fall so hard for Amy, and its turning me into a mess. Shes sweet, sexy, and gets me hot and bothered in no time. I get protective of her and all I can think about is holding her close. But telling her ... thats another thing. I think I love her, but its terrifying, too. I know shell want to pursue her career again soon. Its only a matter of time before I lose her again. I want her to be happy, but I think itll kill me as well. I dont want her to leave. Can I save our relationship before its too late?
