

Faylenes Diamonds: Faylene in High Plains

Faylene and her bevy of wacky friends are back to accept a new challenge. They take on the restoration of an historical home to help their home town of High Plains, Texas. A couple of greedy folks do their best to stop the project while adding to the chaos in Faylenes already crazy life. Who will win this small town battle? Authors Note: Grab your Kindle and see what Faylenes got up her sleeve this time. She does highly recommend you read the first two books in the Faylene in High Plains series. Book one is Faylenes Biggest Catch, and book two is Faylene Sees a Pig. Lets meet at Tooties afterward for a little girl talk. Id love to treat you to lunch.
