

## Fern Michaels Vegas Trilogy: Vegas Rich, Vegas Heat, Vegas Sunrise

Vegas Rich With a heart full of dreams, Sallie Coleman leaves Texas and heads west determined to get as far from the squalor of her dirt poor beginnings. With its shifting sands, smoky saloons and bingo palaces, Las Vegas seems like a paradise. A paradise where an extraordinary twist of fate makes Sallie the most powerful businesswoman in Nevada. Suddenly she is rich. With the help of Philip Thornton, the handsome Bostonian, Sallie is transformed into Vegas most elegant first lady. Philip gives her two sons, Simon and Ash. One will bring her great joy, the other, heartbreak. Vegas Heat The powerful story of the Thornton dynasty... of Fannys twin sons, Sage and Brich: alienated from each other, one is content in his conventional life while the others search for happiness leads to tragedy - and renewed hope. It is the story of Fannys two daughters: Sunny, betrayed by her husband, fighting a battle no woman should ever have to face... Billie, whose obsessive devotion to the Thorntons childrens clothing empire has kept her from finding love. It is also the story of Fannys search for her own roots... and her relationship with Marcus Reed, the wealthy but mysterious businessman who promises her a passion she has been denied for too long. Vegas Sunrise Fanny Thornton, the proud matriarch of the Thornton dynasty, will do anything for her family. Her four children, now grown, mean everything to her, as does Babylon, the most dazzling casino in Las Vegas and the Thorntons crowning achievement. But her children have dispersed across the globe, and so she chooses Jeff, the illegitimate son of her deceased husband, to run the casino. But Jeff has plans of his own, and soon devises a scheme to turn Fannys four children against her. As the siblings vie for their rightful heritage, deceit, distrust, and thwarted dreams of power threaten to divide the Thorntons once and for all.
