

Fight With Me (With Me In Seattle Book 2)

Jules Montgomery is too busy and content with her life to worry about a man, especially one Nate McKenna. If growing up with four brothers has taught her anything, she knows to stay away from sexy men with tattoos and motorcycles. That goes double if hes your boss. During the one incredible night they shared, he violated the no fraternization policy...among other things, and it wont happen again. Jules wont risk her career for mind-blowing sex, no matter how much her body and her damn heart keep arguing with her. Nate McKenna could give a shit about the no fraternizing policy. He wants Jules and hell have her. The rules could bend around them, or be damned. Hes not a man to be taken lightly, and Jules Montgomery is about to find out just how he responds to being pushed aside after the best night of sex hes ever had. She can fight all she wants, but hell have her in his bed in the end. FIGHT WITH ME is the second novel in the With Me In Seattle Series.
