

Fine Things

Smart, likable, Bernie Fine was the wonder boy of Wolffs, New York's most glamorous department store. A senior VP moving up, he arrives in San Francisco to open a West Coast store. His career is skyrocketing, but his life is lacking a center. When he looks into the wide, innocent eyes of five-year-old Jane O'Reilly, and then into the equally enchanting eyes of her mother, Liz, Bernie knows she has found what he has been looking for. Bernie thought he had found love to last a lifetime, but when Liz is stricken with cancer shortly after the birth of their first child, time becomes painfully short. Alone with two children, Bernie must face the loss and learn how to move on. New people, new experiences, a new life alone with two kids. He meets it with courage and humor, and learns some of life's hard but precious lessons as he does.
