

First Time For Everything (Mills & Boon Modern) (Mills & Boon Modern Tempted)

Jacqueline's new boss is none other than her best-friend's older brother, hot-shot lawyer Blake Bennington. His control freakery and his need to be always, always right would normally send fiery, unconventional Jax running a mile - but even she has to admit he looks edible in his bespoke suit! She's quickly realising she's way out of her depth - but with this contained, experienced guy, trying to get him to lose his cool is just a little too tempting.
