

Flashman and the Redskins (The Flashman Papers, Book 6)

Coward, scoundrel, lover and cheat, but there is no better man to go into the jungle with. Join Flashman in his adventures as he survives fearful ordeals and outlandish perils across the four corners of the world. What was Harry Flashman doing on the slopes of Little Bighorn, caught between the gallant remnant of Custer's 7th Cavalry and the attack of Sitting Bull's braves? He was trying to get out of the line of fire and escape yet again with his life (if not his honour) intact. Here is the legendary and authentic West of Mangas Colorado Apaches, of Kit Carson, Custer and Spotted Tail, of Crazy Horse and the Deadwood stage, gunfighters and gamblers, scoundrels and Indian belles, enthusiastic widows and mysterious adventuresses. The West as it really was: terrifying!
