[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, public exhibition] Its not that he isnt insanely attracted to Bannon Murphy, but when the man starts talking about mates, Galen balks. Hes been burned by a lying, manipulating shifter before, and he isnt convinced that he can trust the sexy Irishman. After months of trying to convince Galen theyre fated to be together, Bannon is at the end of his rope. Not only does Galen refuse to accept that theyre mates, but he stubbornly clings to the idea that hes nothing more than human. No matter how hard Galen tries to push him away, Bannon isnt going anywhere without a fight. When The Council convinces him to take Galen on his next assignment, Bannon decides to use the time to woo his obstinate mate. Unfortunately, it soon becomes apparent that keeping them safe from their enemies will be easier than convincing his mate to stop running from the truth. \*\* A Siren Erotic Romance
