

# From the Claws of the Dragon: A Story of Harry Lees Deliverance from the Chinese Red Guards

Harry Lees only crime was that he wanted to leave China to attend a theological seminary. But that was in the darkest days of Mao Tse-tungs Cultural Revolution. So Harry was persecuted for his faith by the Red Guards and thrown into prison, clutched firmly in the claws of the Chinese dragon. When you read Harry Lees story, the author writes, your perspective on what really matters most will be altered.
