

## Follow My Lead (Stepping Up)

Stepping Up is back! This season is going to be hotter and more scandalous than ever! After the roaring success of the first season, the pressure is on America's most popular reality dance show. And no one is feeling it as much as guest judge and TV presenter Darla James. This opportunity could make her career soar or sink. But when her nemesis, the very hot and infuriating Blake Nelson, is asked to join the show, too, Darla wonders exactly what she's signed up for! But the sparks on camera and off between Darla and Blake are brighter than a Georgia firecracker, and all the tension between them has turned into wicked, mind-blowing, melt-your-brain sex. If anyone finds out, it will be the end of both their reputations and the scandal of the television season. Then again, with chemistry like theirs, it might be worth it!
