

Follow Thy Desire

I cant go through with the wedding! Helens announcement a few hours before she was due at the church stunned her family especially since she gave no reason. But how could she explain that a man shed known less than a week, a man who had rejected her, had turned her world completely upside down. For the man was Morgan Fox, her fiances stepbrother, and his rejection of her seemed final. I have no intention of marrying anyone, Morgan told her. And if youre thinking an African moon will change anything, forget it. Yet Helen knew he was not indifferent to her!
