

Fools Rush In

Millie Barnes is this close to finally achieving her perfect life. Rewarding job as a local doctor on Cape Cod? Check. Cute cottage of her very own? Check. Adorable dog suitable for walks past attractive locals? Check! All she needs is for golden boy and former crush Joe Carpenter to notice her, and Millie will be set. But perfection isn't as easy as it looks, especially when Sam Nickerson, a local policeman, is so distracting. He is definitely not part of her master plan. But maybe it's time for Millie to make a new plan.
