

For Blackmail...or Pleasure (Silhouette Desire)

Multimillionaire Tate Bridges wouldn't let anything threaten what was his, whether it was his sprawling Australian media empire or his deeply troubled family. And he'd do whatever it took to protect his own—even blackmailing the only woman he'd ever loved. He needed Donna Wilk's help desperately, and he wasn't above using her own troubles to get it. But the more ruthlessly Tate pressured her, the more he felt the stirrings of unforgotten passion. Until he no longer knew if what he wanted from Donna was business or pleasure.
