

Forever in Love (Hearts on the Line) (Volume 5)

A Hearts on the Line Novel Catherine Fairchild fakes being perfect by keeping everyone at arms length. But her billionaire CEO husbands bigamy shatters the illusory life shes built, and vengeful in-laws want to send her to jail for embezzling from the failing family business. Desperate, she accepts an offer from a powerful friend: help him reconcile with his illegitimate son in return for protection. How hard can it be to dazzle a small town guy? Small town bar owner Blaine Davis has zero interest in claiming his fifty million dollar trust fund or joining the family of a father he barely knows. He can never forgive his womanizing father for seducing his mother or forget the cruelty his fathers high-society wife inflicted on them. Catherine comes from the same rich and entitled background, but he starts to fall for her anyway. Can their fragile bond survive when the true reason for her presence in his idyllic little town is revealed and Blaines old wounds are re-opened?
