

Interpersonal Messages: Communication and Relationship Skills

Interpersonal Messages is a brief, highly interactive book that emphasizes interpersonal communication and relationship skills, ethics, critical thinking, listening, and power in a multicultural world. In 10 chapters, Interpersonal Messages provides a comprehensive introduction to interpersonal communication that creates a foundation for the reader to understand the concepts of interpersonal communication and to develop the necessary skills to apply what they have learned through real-life examples and exercises. With a strengthened focus on skill-building, this book helps the reader understand how to master interpersonal communication and relationship skills in every area of their lives.
