

Fox Mate (The Madison Wolves Book 3)

Fox Mate is the 3rd of the Madison Wolves novels, telling the continued story of the feisty were-fox, Michaela, and her alpha-werewolf lover, Lara. Michaela Redfur has been accepted into the wolf pack as their fox, and a wedding with Lara, the alpha, is in the planning. But being accepted into a close-knit clan is not simply a formality. There are rites of initiation and you know you are truly accepted when the dark and ugly is accepted along with the good. In Fox Mate Michaela, the lone and orphaned fox, finds out how acceptance works - wolf-style: some rough play, lots of love especially when a pack-member is in need of help. Michaela struggles to hold things together and find peace in time to save the wedding.

This is a novel of 110,000 words. The novel deals with traumatic issues from Michaela's past and contains some graphic violence and scenes that may be disturbing to sensitive readers.
