

Sultry Sunset (Mangrove Stories)

Mangrove Stories Hutch Crowley is well-liked in the small resort town of Mangrove. He has friends in his new neighbors, he's the owner of the town grocery, and he's building a community center but he's still unlucky at love. Every man he's attracted to is either taken or simply not interested, including his best friend, Mike Rojas. When Mike came to Mangrove two years ago, Hutch gave him a job and a place to stay in his guesthouse, where Mike has remained ever since. Despite the rumors circulating about them, Hutch knows Mike is straight and looking for the right woman. But his friends disagree, and after some hints to the contrary, even Hutch finally has to admit that maybe the rest of the town sees something he's been missing. If Hutch wants to spend each sultry sunset with the man of his dreams, it might be time to figure out what's going on with his best friend's heart.
