

The Mans Outrageous Demands (Royal Cordova Trilogy Book 2)

Second story in the Royal Cordova Family Trilogy! Royal obligations be damned! Sam Montrose was too much! Too arrogant, too irritating, too intelligent...too everything for Princess Marabeths peace of mind. He would never do for a royal husband despite what everyone thinks! And oh why does that man always have to be around when she makes a fool of herself?! Too bad she cant keep herself out of his arms. To make matters worse, his touch only inflames her desire for the man to heights shes terrified of investigating.
