

Running Out of Rain (Prime of Love Book 1)

Eventually, all storms break for a little sunshine. Dr. Cynthia Ellender is devastated when her husband of thirty-three years dies suddenly. A revelation at his funeral leaves her bitter, angry, and determined to leave Oklahoma for good. Maybe a move back to her hometown in south Louisiana is just the right prescription for the good doctor. John Michael Ferguson has weathered some serious storms in his fifty-three years. At sixteen he lost a sister, and at thirty-nine, a wife. Now, hes forced to watch his mom lose her battle with Alzheimers. A chance meeting with Cyn has the semi-retired businessman wanting to bury his past and look to the future. Armed with questionable advice from his wise-cracking, seventy-seven year old father, he vacates the widowers bench to re-enter the dating world with his old classmate. RUNNING OUT OF RAIN is a mature love story that proves just because theres a little silver in the hair doesnt mean the pump isnt primed for passion.
