

## Forgiven: BBW Paranormal Shape Shifter Romance (Fur-ocious Lust) (Volume 3)

Julie Durante loves every single one of her curves. So when she met a hot as heck bear shifter who loved them too, she was more than happy, for a little while. A year after their break-up, she finds herself on the stage, being auctioned off and bought by the grouchy bear. Things couldn't get worse, right? Wrong. Rafe Sinclair has loved strong-willed Julie for a long time. Their relationship took a hit when he refused to acknowledge his feelings for her but demanded commitment. Taking her captive was never the plan, but life has a cruel sense of humor. Passion blazes between them, soaring to new heights. Emotions crack and they'll need to figure out if they can forgive and open up to a new beginning or lose a second chance at love. Reader Note: This story contains some scorching hot sex. If you have problems with low down dirty hanky-panky, you might want to skip this one. However, if you like a bear who can't get enough of his curvy woman and some cheeky humor, this is the story for you. Enjoy.
