

Dont Rock the Boat: (Christian Cozy Mystery) (Bridal Mayhem Mysteries Book 6)

Annie Peterson is supposed to be on vacation...not in wedding planning mode and certainly not in mystery solving mode. But when she meets a bride-to-be aboard the Navigator of the Seas cruise liner, Annie cant help herself. Shes ready, willing and able to help with plans for the big day. And when the bride goes missing just hours before the ceremony, its Annie to the rescue! Whos responsible for spiriting away the elusive bride? The maid of honor? The emotional mother of the bride? An over-the-top best man? The groom-to-be? A total stranger? Someones done the deed and its up to Annie to locate the MIA bride before the ship returns to port. Surely, with the Lords help, she can solve this mystery. Join Annie on this high seas adventure where everyone on-board is a suspect and no good deed goes unpunished. NOTE: All of Annies stories are faith-based and contain Christian elements. FROM THE FIRST CHAPTER: When you live in a landlocked state like Pennsylvania, the idea of taking a cruise on open seas is both terrifying and mesmerizing. Terrifying, because you cant fathom the idea of seeing nothing but water for days on end, and mesmerizing, because stepping away from your mundane, landlocked life sounds over-the-top adventurous. Ive never been afraid of a little adventure. So, when my BFF, Sheila, suggested we go on a Caribbean cruise, I said yes. Actually, I said yes without even asking my husband, whoit turned outwasnt quite as adventurous.
