

Discoveries: Made from Living My New Life (Eugenia Price Treasury of Faith)

Originally Published in 1953, Discoveries is Eugenia Price's honest account of her quest to find out what Jesus Christ means to her, and how her newfound belief in Him has changed her life. Eugenia Price wrote Discoveries her first book two years after her conversion to Christianity at the age of thirty-three. It is an authentic journal of her spiritual journey from nonbeliever to believer. Discoveries is filled with the vitality and excitement of a new disciple and yet, as the author states, it is still startlingly central to what I believe today. Updated with a new Preface, this book is essential reading for all believers new and old alike who are eager to re-examine their own commitments to Jesus Christ, as Ms. Price has done in these pages.
