

True Ghost Stories Or Baloney: Killer Dolls, Haunted Houses, Paranormal Activity, And Headless Phantoms (True Ghost Stories, Ghost Stories, Paranormal)

An anomaly is, by definition, something that does not fit, whether it is a thought, mathematical number, or event. *Would you fit ghosts into this category? *Are you too rational to believe in such concepts as earthly figures walking after death? *Perhaps you are the epitome of rationality, but have experienced something you cannot explain?
