Do you really think you could work as I had to work to keep your mother from starvation? My dear child, you have lived in the lap of luxury all your life. You could no more earn a penny piece than fly over the moon! Kasias father laughs scornfully. This is justification for his decision to marry her off to a man she does not love purely to save her from fortune hunters. So Kasia runs away to prove him wrong by working as Governess to the Duke of Dreghornes unruly nephew. As Kasia gains the trust of the child, she earns first the respect and then the growing affection of the Lord. But when she and the boy are kidnapped the stakes are irrevocably raised and the Dukes reputation as a Dare-Devil will be tested one final time... Will Kasias father forgive her? Will Fate finally unite the hearts of Kasia and the Dare-Devil Duke?
