

Getting His Way: Sapphire Falls book seven

Sapphire Falls, book seven Bryan Murray always planned to return to Sapphire Falls and settle down with Tessa Sheridan. Tessa is sweet, kind, beautiful and planning to live in Sapphire Falls forever. Best of all, she's loved him since kindergarten. He just didn't expect it to all happen like this. But a not-so-little tumble down a mountain while biking has turned his life upside down and landed him back in his hometown earlier than he'd planned. At least Tessa is the same girl who's just been waiting for him to come home. Tessa has been saving herself for Bryan in every way. And dreaming about an exciting life. Somewhere other than Sapphire Falls. But now Bryan's messing up all of her plans. Not only has he moved home, but he's decided to go from the hot, sexy playboy of her fantasies to a sweet, romantic boyfriend type. What's a girl gotta do to have an adventure or two? And some hot erotic-romance-novel-worthy sex along the way? She's going to have to make it happen for herself. Which means leaving Sapphire Falls. Which means avoiding falling in love. All while being romanced by the only man who's ever had her heart.
