

Reaching New Horizons: Gifted and Talented Education for Culturally and Linguistically Diverse Students

This user-friendly text offers a comprehensive overview at the interface between bilingual/multicultural/ESL education and gifted education. Reaching New Horizons is the first book of its kind. Written by nationally recognized and award-winning leaders in both gifted and bilingual education, the authors have collaborated to create a book that bridges research and practice and has far-reaching implications for educators at all levels as culturally and linguistically diverse students continue to impact public education. The book includes chapters on program delivery models (Ch. 6), bilingualism (Ch. 3), and identification and assessment (Ch. 5)-all topics that have come into the forefront of issues faced by bilingual and gifted education teachers of grades K-12. For educators in bilingual and ESL studies, as well as special educators.
