

Luc (Italian Shipping Millionaires Series #4) (The Italian Shipping Millionaires)

Luc Rossi grew up with a sad past that left him wanting to enjoy life to the fullest. He never thought about one woman for long until he met Angela, whose heart belonged to one of his closest friends. Will she ever care for him? And will his need to protect her against a threat end up pushing her away instead? Angela Cantellano, CEO of her own company, had fallen in love with Dante Cellini during a business deal but had kept those feelings to herself. Now, with Dante happily married and a new father, she's finally moving on with her life. So, why does she want to move on with Luc, the biggest playboy of them all? With her own tragic past haunting her, a threat to her company, and a shocking revelation, will she ever be able to trust again? And can she trust Luc after his own deception comes to light? *Please note: this novel contains content suitable for mature audiences only. *This novel is a standalone book in the series, with no cliffhanger.
