

Charles Colson: A Story of Power, Corruption, and Redemption

Before he was forty, ex-marine captain Charles Colson was appointed special counsel to President Richard Nixon; he was Nixons Watergate hatchet man. By the time Nixon resigned in the summer of 1974, Colson was a convicted felon. In prison, his religious conversion, which had begun before he started his sentence, was fortified and reaffirmed. When he was released, he founded Prison Fellowship Ministries, which is now the largest prison outreach in history. For the first time, John Perry tells the whole story of Colsons life and conversion and holds him up as dramatic proof that no one is beyond Gods power to save.
