

The Total 21st Century Woman: Energized by Grace

Titus 2 is not meant to be an inspirational picture of some yesteryear woman of virtue from 2,000 years ago. Gods Word presents the Titus Two woman as Gods plan, Gods desire, and Gods marching orders for all women in Christ of any age in any era of Christs Church. If there is one passage every young lady should memorize it is right here. If there is one paragraph in the Bible every bride-to-be should have down as a part of her preparation to be married, this is it. If there are a handful of verses every tired mother and busy wife need as the ones they hold to as they have just enough strength to make it through one more day, look no further. Welcome to the complete woman of God, as defined and described by God.
