The Christian Healer Traverses West On The Oregon Trail: Our Wagon Train, is a wonderful story about a French woman heading west, for either Oregon or California, on a wagon train--and she loses the help of her husband early on in the journey. She gains a reputation for helping others, and has to also fend off a nasty man who is constantly harassing her. Through the kindness and help of another man, she is able to test her own courage and her love of God, until a potentially fatal incident occurs which could bring her onward path to a screeching halt.
