

Gods Favorite House: The Expanded Edition

If God ever became homesick for any of the houses of worship on earth, which ones would they include? What events would provoke the eternal mind of God to consider a particular Church His favorite? Mankind seeks God encounters at Gods house, but God seeks people encounters--at what He calls mans house. Remember the names? Moses Tabernacle...Solomons Temple. Since the Garden of Eden, God has been searching for intimate worship on earth. With our landscape littered with multimillion-dollar steeples piercing into Gods blue atmosphere and stained windows shimmering with His sunshine, we might imagine that Gods choice would be elaborate. Prepare to be surprised as you discover Gods Favorite House. This expanded version of Gods Favorite House, by best selling author Tommy Tenney, includes the never before released Study Guide.
