

Going All the Way (Mills & Boon Temptation)

Being more than friends has its benefits! One year ago Serena Donovan and her best friend, David Grant, shared an incredibly hot night but she made it clear that was a one-time thing. It was easy to stay away from him when they were living in different states. But David's returning to Atlanta for good and Serena's more than in the mood for a repeat performance! No matter how hard he's tried, David can't forget the evening he made love with Serena. The chemistry was indescribable. Despite what Serena thinks, it's not just sex he wants; she wants her. Completely. Since he doesn't give up easily, David plans to convince her to stop holding back and give them everything she's got. But can he get her to go all the way?
