

Good Ghouls Do

The USA Today bestselling author returns to Horror High-and so does teen vampire Beth Frasier. In The Good Ghouls Guide to Getting Even, Julie Kenner introduced Beth Frasier, high school sweetheart-turned-bloodsucker. She's back-and not alone in her habit. Vampirism is catching on at Waterloo High, since the Master Vamp Beth thought she offered is still wandering the halls. Now, sun-shy Beth has a new survival plan. But finding the real Master is putting a lot of pressure on a girl who wants two things out of life: one more chance to tan, and a boyfriend who doesn't bite back.
