

Gottis Rules: The Story of John Alite, Junior Gotti, and the Demise of the American Mafia

From the New York Times bestselling author of *Blood and Honor* and *The Last Gangster* one of the most respected crime reporters in the country (*60 Minutes*) comes the sure to be headline-making inside story of the Gotti and Gambino families, told from the unique viewpoint of notorious mob hit-man John Alite, a close associate of Junior Gotti who later testified against him. In *Gottis Rules*, George Anastasia, a prize-winning reporter who spent over thirty years covering crime, offers a shocking and very rare glimpse into the Gotti family, witnessed up-close from former family insider John Alite, John Gotti Jr.'s longtime friend and protector. Until now, no one has given up the kind of personal details about the Gotti family including the legendary *Gotti Rules* of leadership that Anastasia exposes here. Drawing on extensive FBI files and other documentation, his own knowledge, and exclusive interviews with insiders and experts, including mob-enforcer-turned-government-witness John Alite, Anastasia pokes holes in the Gotti legend, demystifying this notorious family and its lucrative and often deadly machinations. Anastasia offers never-before-heard information about the murders, drug dealing, and extortion that propelled John J. Gotti to the top of the Gambino crime family and the treachery and deceit that allowed John A. Junior Gotti to follow in his father's footsteps. Told from street level and through the eyes of a wiseguy who saw it all firsthand, the result is a riveting look at a family whose hubris, violence, passion, and greed fueled a bloody rise and devastating fall that is still reverberating through the American underworld today. *Gottis Rules* includes 8 pages of black-and-white photographs.
