

## Blue Columbine: A Contemporary Christian Novel

Best friends maybe more until addiction shatters everything. Reeling from professional failure, Andrew Harris needs a fresh start. When he moves back to Colorado to join a Denver law firm, he runs into Jamie, his childhood sweetheart. She is still the kind and faithful girl he remembers not to mention beautiful and still single. With her by his side, Andrew is confident he can overcome the demons that he tries to keep hidden. Jamie Carson is thrown off balance when Andy resurfaces in her life. Though her faith in God has remained solid, even through her mother's long illness and after her death, Jamie battles loneliness. Andy fills her days, whispering significance to her heart. But his rejection of the faith she thought they once shared, and his alarming drinking habit keep her heart from plunging into deep, murky waters. Or do they? Andy pursues an intimacy Jamie knows she must guard against. But as the line between loyalty and love blurs, things get complicated until a devastating blow breaks their relationship. For Jamie, one thing becomes clear: Andy needs a miracle, and she isn't it. Will Andrew allow the hand of grace to redeem his legacy of addiction, or will he and Jamie both remain casualties of heartbreak?
