

The Trail Bosss Bride: inspirational historical romance (Journeys of the Heart Book 3)

From New York Times bestselling author Erica Vetsch comes a stirring western romance (part of the Journeys of the Heart anthology): Steve Ketchum loves being a trail boss, almost as much as he hates river crossings. But it's part of the job. As is moving an abandoned wagon out of the ford. But when he goes to haul it away, he's stunned to see what's inside. Kitty Fareholms good-for-nothing husband picked a lousy time to die. How could he leave her stranded, birthing a baby in the middle of nowhere? She'd prayed for help to come, but did God honestly think a trail-worn cowboy was what she needed? What's more, Steve's trail crew is dead-set against having a woman join their camp. He promises the men he'll leave her at the nearest town...but Kitty just might have other plans.
