

## The War of the Little Hand (H. Rider Haggard Collection)

Dodo Collections brings you another classic from H. Rider Haggard, *Maiwas Revenge; Or, The War of the Little Hand*. Maiwa is a woman who is set on revenge, and what Maiwa wants, Maiwa gets! The story involves Quartermain going on a hunting expedition, then taking part in an attack on a native kraal to rescue a captured English hunter, and avenge Maiwa, an African princess whose baby has been killed. Sir Henry Rider Haggard was an English writer of adventure novels set in exotic locations, predominantly Africa, and the creator of the Lost World literary genre. His stories, situated at the lighter end of the scale of Victorian literature, continue to be popular and influential. He was also involved in agricultural reform and improvement in the British Empire. His breakout novel was *King Solomons Mines* (1885), which was to be the first in a series telling of the multitudinous adventures of its protagonist, Allan Quartermain. Haggard was made a Knight Bachelor in 1912 and a Knight Commander of the Order of the British Empire in 1919. He stood unsuccessfully for Parliament as a Conservative candidate for the Eastern division of Norfolk in 1895. The locality of Rider, British Columbia, was named in his memory.
