

Hakeem & Tasia 2: A Brick City Love Story

Your favorite couple is back but things are getting complicated. With the cops at their door Hakeem is now forced to invest time trying to figure out who is trying to set him up, when he really should be focusing on getting his club up and running. Tasia's business has taken off, yet she is quickly starting to realize that Sky might want a little more than just a corner office. Sky is on a mission that has nothing to do with styling celebrities. Jace can't seem to let go, which is causing problems for Tasia while Hakeem's past seems to be resurfacing in a way that will change both their lives forever. What will it take for Hakeem and Tasia to have their happily ever after and will they be able to find it?
