

Handels Messiah: Comfort for Gods People

Handels oratorio Messiah is a phenomenon with no parallel in music history. No other work of music has been so popular for so long. Yet familiarity can sometimes breed contempt - and also misunderstanding. This book, by music expert Calvin Stapert, will greatly increase understanding and appreciation of Handels majestic Messiah, whether listeners are old friends of this remarkable work or have only just discovered its magnificence. Stapert provides fascinating historical background, tracing not only Messiahs unlikely inception but also its amazing reception throughout history. The bulk of the book offers scene-by-scene musical and theological commentary on the whole work, focusing on the way Handels music beautifully interprets and illuminates the biblical text. For anyone seeking to appreciate Handels Messiah more, this informed yet accessible guide is the audiobook to have.
