

Hannahs Journey (Amish Brides of Celery Fields Book 1)

What could bring an Amish widow and a wealthy circus owner together? Though Hannah Goodloe knew shed violated countless unwritten laws, she had to visit the only man who could help find her runaway son. But when the enigmatic Levi Harmon agreed to take her on his train, the results were utterly unpredictable. Levi never expected to find the embodiment of all he wanted in a woman in the soft-spoken, plainly dressed Hannah. And for Hannah, to love an outsider was to be shunned. The simple pleasures of family, faith and place to belong seemed an impossible dream. Unless Levi unlocked his past and opened his heart to Gods plan.
