

## MAIL ORDER BRIDE: Hannahs Story

This is the story of Hannah... The year is 1887 and Hannah has missed out on love and romance while devoting herself to caring for her ailing parents and trying to salvage her fathers failing business. The landscape of life has changed dramatically for her in the post-civil war era. Men are scarce and shes already reached the ripe age of twenty-three without a prospect for a husband on the horizon. Out of desperation, Hannah decides to answer an ad for a mail-order bride and then she decides not to send it. When a helpful friend drops it in the mail, it makes it into the hands of a handsome widowed rancher, Luke Skylar. Lukes been raising his eight year old daughter Lily all alone for six years. He knows that Lily needs a mother but the last thing Luke wants is a replacement for the woman who died and took his heart with her. When Hannah reaches the wilds of Texas she falls quickly for the handsome rancher and his sweet little girl but Lukes devotion to his departed wife keeps getting in the way of his feelings for her. Will Hannah realize that she made a terrible mistake uprooting her life or will Luke finally realize that its safe to love again? \*This is a short story and includes the complete anthology of Mail Order Bride short stories by Christian Michael (45 in total!)\*
