

Hanuman: The Heroic Monkey God (Minibook)

A gorgeously illustrated spiritual classic filled with humor and heroism! The timeless story of Hanuman, the monkeygod, is that of a valiant superhero best known for battling the demon Ravana in the classic tale Ramayana. But there is much more to know about Hinduism's bravest, most endearing figure. As a youth, Hanuman's pranks often led him into trouble with the village elders. Eventually they cast a spell, causing him to forget his immense powers. In a cursed state of ignorance, young Hanuman believed himself to be just an ordinary monkey. He realized his potential as a warrior only later, while rescuing Sita, the kidnapped wife of Rama, from the clutches of Ravana.

Although Hanuman developed mesmerizing mystic abilities as he matured, it is his sensitivity and devotion to King Rama that make him such a memorable character.
