

Ninja At First Sight: An Origin Story (Knitting in the City)

Prequel to the USA TODAY BESTSELLER Happily Ever Ninja What do a cynical former Marine and a sheltered former Olympic contender have in common? Nothing. Absolutely nothing. He has a girlfriend and shes never been kissed. Hes sullenly sarcastic and shes earnestly empathetic. He cant stop thinking about her. She knows she should keep her distance. Nevertheless, when opposites attract, the results may be unexpected, but theyre also undeniably magnetic. Ninja at First Sight is a standalone, prequel novella (for book 5 of the Knitting in the City Series, Happily Ever Ninja) and is 40k words.
