

IN THE GARDENERS BED (Harlequin comics)

After her friend begs her for help, financier Amanda agrees to help with the production of a new TV show as a costar! The show involves two people from completely different worlds coming together and sharing each others lifestyles for a week so of course Amanda gets stuck with Will the gardener! He loves plants and lives life fruitfully; she loves sticking to her desk and crunching numbers with no distractions. Oil and water much? But soon she realizes that meeting Will has her heart beginning to bloom, as well.
