

Second Chances: Do opposites really attract?

One country girl with attitude and one cocky west coast jock could lead to disaster or maybe not. Zoey lost her father in a tragic accident and her mother moves both her and her younger sister Lily across country to be closer to family. That was the reason her mother gave her anyway. Unexpectedly Zoey finds out the truth behind the move and it devastates her. Within her emotional state she lets her guard down and Luke sneaks in quickly. Zoey gets the chance to see the real Luke and she falls head first. Will it last or is Zoey just another notch on his belt?
