

## A Lovers Pretense (Kimani Romance)

The pain of lost love has shaped Tykira Lowery, and despite the challenges of starting life anew, her savvy business skills and warm spirit guarantee her entrepreneurial success. Now, coming face to face with Quaysar Ramsey each day was overwhelming her nerves and her desires. One dance in this resort developer's arms led Tykira to believe there may be a chance to start over with the man she lost once before. Convinced that a threat still exists on her life, Quaysar Ramsey has kept Tykira at arm's length for years. Now seeing her back in Seattle at his brother's wedding, old embers began to ignite into a flaming passion. Amid surprising revelations, and some hard truths, Tykira and Quaysar might just bridge the gap that has kept them apart for far too long. Will his true feelings for the only woman who has ever held his heart finally bring them together?
