

## Once a Ferrara Wife...

For better or for bedding? Laurel Ferrara wouldn't know a happy ending if she fell over it of course her whirlwind wedding was always going to end in disaster. But it wasn't as simple as just walking away. From the moment she is summoned back to Sicily, the shivers of unease set in. The command comes from legendary tycoon Cristiano Ferrara, the husband she can't forget but it might as well have come from the devil himself. The outrageously gorgeous Cristiano's power is a potent reminder of this Sicilian dynasty's unbreakable rule: once a Ferrara wife, always a Ferrara wife.
