

# Romancing The Teacher

Schoolteacher Lisa Kittridge had sworn off men for a while, but when she met Ian Malone, her gorgeous, if exasperating, new volunteer, that promise went out the window! She vowed never to get involved with another man, yet she couldn't control her urges to crack the mystery he was hiding behind. Who was the real Ian Malone? Ian knew that working as a volunteer for a lovely teacher at a homeless shelter wasn't exactly a prison sentence. But he had an identity he was loathe to reveal and secrets to keep and the beautiful Lisa was too dangerous to be around. Loose lips, and all that
