

Harleys Heart [Special Operations 4] (Siren Publishing Classic Manlove)

[Siren Classic ManLove: Erotic Alternative Romance, M/M, HEA] After being rescued from ten months spent in hell, all Harlan Thomas wants to do is go home to the one man whose memory kept him alive. Trouble is, Miko is not where Harley left him. Mitsuki Thomas was heartbroken when his husband didn't come home from a mission. He didn't give up when the letters stopped or even when his mother-in-law had a funeral for Harley. But when he's forced out of his home, Miko finally admits that maybe Harley is gone. Still, he wants to continue the dreams they had discussed, no matter how impossible they might be. When Harley shows up on his doorstep, Miko is shocked to learn that he's alive. Miko just doesn't know if the life he created will be enough to keep the man home and happy. When trouble starts, Harley and Miko have to put aside their differences and learn to work as a team or the people bent on keeping them apart permanently just might get their wish. With the help of some friends, they just might have the chance to keep their little family together.
