

Unlikely Romance: Part Two (The Clean Romance Chronicles Book 2)

Unlikely Romance Part 2 (The Clean Romance Chronicles) As the popular saying goes, Be careful what you ask for. You just might get it. The adventures in love continue in part two of the religious short story novelette series Unlikely Romance. Jackie Grayson made it her number one priority to push away tattooed bad boy Michael Reidland. She was determined not to have her good Christian image ruined by him. Well she has been successful at doing just that. However, the outcome of her actions turned out to be far different than she had ever expected. As Jackie finds out in a most unexpected way, Michael was never the man she presumed him to be. Now faced with this new, revealing information, Jackie must now confront her preconceived notions about Michael as well as her self-sabotaging inner demons. Will she be able to overcome her biggest flaw and find love? The only way to find out the dramatic conclusion to this inspirational love story is to get your hands on this book. As you will learn in this sweet, modern day Christian romance tale, love comes from the most unexpected places at the most unexpected times. P.S. Unlikely Romance Part Two is meant to be enjoyed together with Unlikely Romance Part One.
